

BRICK BY BRICK

ROADMAP

PRE-SALE

Presale will start on Friday March 3 2023. All pre-sale NFTs will be sold with a discount of 5%. The building will begin.

LAUNCH DAPP + AUDIT

The DApp will be launched to allow all investors to stake their NFTs and begin collecting their returns via the Audited Smart contract.

BBB RENO POOLS

Reno pools will offer community members the ability to stake USDT in the Reno Pool to earn a 6% a month return, while offering a faster ROI.

BBB SERVICES

BBB services will offer community members the ability to fund real world services. The return will be a beneficial for community members.

BBB EXECUTIVE PACKAGE

This NFT project will offer holders the potential for massive future rewards that could facilitate travel.

THE FOUNDATION

The Foundation gives users the ability to build a solid passive income stream through compound interest. The more USDT you add, the higher the interest you make and in turn the faster you can compound.

BBB NFTS

BBB will sell NFTs that will give holders the ability to earn a percentage of all the profit that BBB receives for the entire future of the project. Holders will become part owners of the project.

PROPERTY COLLECTION

BBB will collect as many properties as possible. This will bring in an income through rental and will be divided between BBB and all BBB NFT holders.

BBB AIRBNB

While collecting properties, BBB will acquire properties and deem them as Airbnb properties. These properties will be available to BBB NFT holders for stays throughout the year.

SELF-SUSTAINABLE PROFITS

As more properties are added to the BBB portfolio, equity from the properties will allow BBB to purchase and rent out more properties without the need of new investment.
